

2023 Admissions Open

हैदराबाद विश्वविद्यालय
University of Hyderabad

School of Engineering Sciences and Technology

The School of Engineering Sciences and Technology (SEST) was established in the academic year 2008-09 with an objective to impart research-oriented education and pursue high quality research in emerging multi-disciplinary areas encompassing science, engineering and technology.

- SEST provides an ideal environment to pursue cross-disciplinary research in engineering sciences and technology by taking advantage of the well-established facilities and expertise available within the School and in the University campus.

Offered Ph.D Programmes:

- Materials Engineering
- Nanoscience and Technology
- Ph.D. Intake and topics: check [prospectus](#) from <http://acad.uohyd.ac.in>

Offered M.Tech Programmes: 2 years (4 semesters) (full time)

- Materials Engineering (MT)
- Nanoscience and Technology (NST)
- Manufacturing Science and Engineering (MSE)
- Modelling and Simulation with specialization in Computational Materials Science and Engineering (CMSE) (New course from Centre for Modelling Simulation and Design) Know more <http://cmsd.uohyd.ac.in>

- M.Tech Intake: MT(18)+NST(18)+MSE(18)+CMSE(6)=Total 60 seats

Admission:

- For Ph.D: Through All-India entrance exam and interview Know more: acad.uohyd.ac.in/
- For M.Tech through centralised counselling for M.Tech, i.e., CCMT. It is based on a valid GATE score in order of merit. Know more: <https://ccmt.admissions.nic.in/>

Important dates for Ph.D

Online Application start date 01.05.2023
Last date for submitting the Online Application 25.05.2023
Dates of Entrance Examinations 17.06.2023 & 18.06.2023
Interview dates: Will be updated in <http://acad.uohyd.ac.in>

Important dates for MTech

Check CCMT website
