SEST faculty listed in Stanford/Elsevier's Top 2% Scientist Rankings

The "**Stanford/Elsevier's Top 2% Scientist Rankings**" is a distinguished ranking that identifies the most highly cited scholars across various scientific fields. This list is based on an extensive analysis of citation impact across multiple disciplines and sub-disciplines, utilizing data from the Scopus database. It highlights researchers who have made exceptional contributions to their fields.

We are proud to announce that **Prof. Sudharshan Phani**, from the School of Engineering Sciences and Technology (**SEST**), has made it to the prestigious list for the year 2025 in the area of materials and applied physics. This is a remarkable achievement that underscores the school's academic excellence and the global impact of its research.
